

Harper Sateana Barr

March 7th, 1994 – October 16th, 2022

Harper Sateana passed away on October 16th, 2022, at the age of 28 years, from complications and challenges of Prader-Willi Syndrome. She leaves to cherish her memory her parents, Alison Barr and David Sateana; brother, Keenan Sateana; and numerous aunts, uncles and cousins from Rankin Inlet, BC and Manitoba.

Harper was born in Brandon, Manitoba and raised in Rankin Inlet and Yellowknife. In the last few years, she lived in Victoria and mostly loved walking her dog Bella on Dallas Road, and spending time with her kitty Bee. She spent countless hours online with her friends in Yellowknife, and she loved traveling and meeting up with family and friends - all of whom meant the world to her. She was involved in Special Olympics in the NWT and competed provincially in figure skating; and made many friends in her community involvement in Yellowknife. Over the years as a young person Harper volunteered for seniors at Avens, in the auxiliary gift shop at Stanton General Hospital, and at the stables, as she loved spending time with horses - given her love of animals. Harper was a great defender of the marginalized and championed inclusivity. She was known for her kindness and thoughtful ways - she was our Sweet Pea.

A gathering in memory of Harper will be held in Yellowknife at the Inclusion NWT meeting room, Abe Miller building, November 20th, from 2:00 – 4:00pm. Donations in Harper's memory may be made to the SPCA.
