

Thank You

The family of the late **Stewart Beckingham** would like to thank the people of Norman Wells for their kindness and generosity to our family following Stewie's death. The staff at the Nursing Station, Tim Melynk, Nicky Richards, the Royal Canadian Legion, and the many friends who shared your stories, you are all remarkable, generous people.

A Celebration of Life service was held on Tuesday, November 27, 2018, at St. Mary's Anglican Church, Dalhousie. The small church was filled to capacity! A reception followed at the local Lions Hall where cookies, of course, were served. Stewie was a member of our family but you made him a member of yours. Thank you so much. Best wishes to you all in the new year!
