

Gladys Brigham

Mrs. Gladys Brigham, aged 85 years, passed away on February 13, 2008 in Thunder Bay, Ontario. She passed with a firm conviction that she would be joining her Saviour, Jesus Christ.

For many years she has been a regular visitor to Yellowknife and made many friends here. In spite of her advanced age and ailing health, she continued to make her journey north to spend time with her daughter Ardith Dean and her grandchildren Jon, Matt and Caryn. (And to eat all the fresh Great Slave white fish she could eat.)

Thanks to all at the Stanton Yellowknife Hospital who attended to her needs during her last visit. Thank you to all friends, students and their families who offered their support and understanding over the last six months. Her sense of humour, wisdom and compassion were gifts she readily shared with all who she encountered. She will be in our hearts forever.
