

~ In Loving Memory ~

Peter Steven Buchanan

June 29, 1989 - March 10, 2014

Peter Steven Buchanan, 24, passed away suddenly on Monday in Yellowknife.

Peter was a Yellowknifer through and through, having moved here with his family when he was only a year old. He was an avid fisherman and would take any chance he could to find a quiet spot with his closest friends to throw a line in the water. Peter was a caring and generous man who was always quick to lend a hand to those who needed it.

Peter had just started his apprenticeship as a sprinkler system technician with Fire Prevention Services Ltd. He looked forward to continuing his work and was a passionate and dedicated employee. He truly loved his friends and coworkers. He will be missed.

Peter is survived by his parents, Daryl and Marie, and his brothers, Christopher, Michael, and David.

A memorial service will be held at Northern United Place on Saturday, March 15, 2014 at 2:00 pm. Friends are welcome to come and join us in remembering Peter.
