

# To my Dearest Friends and Family

Some things I'd like to say, first of all I'd like  
you all to know  
That I arrived safely.  
I'm writing this from Heaven where I dwell  
with God above  
where there's no more tears or sadness,  
Just eternal love.

Please do not be unhappy because I'm out  
of sight,  
remember that I'm with you every morning,  
noon and night.  
That day I had to leave you,  
when my life on Earth was through.  
God picked me up and hugged me and said,  
"I welcome you, it's good to have you back,  
You were missed while you were gone.  
As for your dearest family,  
they'll be back Home soon.  
I need you here so badly as part of MY big  
plan,  
there's so much that we need to do to help  
our mortal man."  
Then God gave me a list of things He wished  
for me to do  
and foremost on that list of mine is to watch  
and care for each of you.  
And I will be beside you every day of the  
week and year.

And when you're sad,  
I'll be standing there to wipe away your tears.  
And when you lie in bed at night,  
the days chores put to flight,  
God and I are closest to you in the middle of  
the night.

When you think of my life on Earth,  
Because you know you're human  
they are bound to bring you tears.  
But do not be afraid to cry,  
although it does relieve the pain.

Remember there would be no flowers,  
If we had no rain.  
I wish I could tell you all  
What God has planned.  
But if I were to tell you,  
You wouldn't understand.

One thing is certain  
Tho my life is O'er  
I am closer to you now  
Than I was before.  
And to my many friends,  
trust God knows what is best,  
I'm still not far from you,  
I'm just beyond the crest.  
There are rocky roads ahead  
And many hills to climb,  
But together we can do it  
taking it one day at a time.  
It was always my philosophy  
And for you guys too,  
That as you give unto the World,  
The world gives back to you.  
If you can help someone who is  
In sorrow and in pain,  
You can say to God at night,  
My day was not in vain.

And now I am contented,  
my life was worthwhile  
Knowing as I passed along the way,  
I made somebody smile.  
If you meet someone who is sad and low,  
Just lend a hand to pick them up  
While you're on the go.

When you are walking down the street  
And you've got me in your mind,  
I'm walking in your footsteps  
Only half a step behind.  
And when you feel the gentle breeze  
Upon your gentle face,

That's me giving you a great  
Big hug or just a soft embrace.  
And when it's time for you to go  
From that body to be free,  
Remember you're not going far.  
You're coming here to me  
And I will always love you,  
From that land up above.

We'll be in touch again soon  
PS: God sends his love.
