

# *Dr. Richard John Cunningham*

August 9, 1949 - July 16, 2018

Richard passed away on July 16, 2018 at 68 years old in Lethbridge, Alberta.

Richard was born and raised in Newfoundland as the oldest of nine children. He is survived by his two sons and one daughter, many grandchildren, six sisters, nephews and nieces; Wendy and her son. Richard was predeceased by his parents and brothers.

Richard loved his work in general medicine for over 44 years, which he practised in Newfoundland, USA, Nunavut, Northwest Territories and Alberta. Richard was loved by his patients, with whom he had a unique understanding and genuine caring. He actually listened to his patients! He used to say, "they will tell you what's wrong, if you listen." Some of his colleagues and staff called him "Dr. Test and Dr. Time" as he believed in having tests done and he took his time with his patients.

*Respectfully submitted by Martha (Marti) Shollenburg*
