Deborah is predeceased by her brother Beau and her beloved daughter Deanna.

Born Deborah Kelly Tazzie on May 17, 1959, in Edmonton, AB, and lived in the Northwest Territories for many years of her life. Debby was residing in Kamloops, BC at the time of her passing on May 7, 2021.

Her children were her greatest love. As a single mother Debby always had a will and a way to provide for her children. Treating each of her children equally to their own need, Debby instilled morals, manners, responsibility, compassion, and loving care throughout their growing years. She also had amazing unconditional love for her grandchildren, whom she spoiled each one in their own special way.

Debby was a thrifty person who enjoyed garage sales, doing puzzles and scratch tickets. When she wasn't working, she enjoyed being out and about. She loved camping and most importantly fishing. Debby always made the best holiday dinners, especially Christmas, which was her all-time favourite. We could always count on her amazing Christmas goodies. Debby was also crafty, making sure each newborn known to her got a handmade blanket and pillow or whatever she thought was fitting.

The Family will be planning an event at a later date once COVID restrictions are eased to celebrate the life of Debby in Hay River, NWT where she will be laid to rest with her daughter Deanna.

In lieu of flowers please send any donations to help cover the costs of Debby's Celebration of Life event to davidstarcevic@hotmail.com
