

Danny Dechief

July 17, 1956 -
January 17, 2016

Danny was predeceased by his father and mother. Survived by his wife of 33 years, Lindsay, his daughter Samantha (Joel) Thomas, and sister Debra Dechief. He spent most of his life working for Fisheries and Oceans. He was a stubborn and wonderful man, full of amazing stories. He built everything and fixed anything. His humour and his heart will sadly be missed.
