*Do not stand on my grave and weep,
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glints on snow
I am the sunlight on ripend grain
I am gentle autumn rain*

*When you awaken in the morning rush
I am the swift uplifting rush
of quiet birds in circle flight
I am the soft stars that shine at night
Do not stand at my grave and cry
I am not there, I did not die.*
