Jennifer Tanya Francheszka Dominelli

September 6, 1972 - May 22, 2023

It is with profound sadness, that we announce the passing of our beloved Jena. Our mother, wife, sister, daughter, auntie, rara and friend.

Jena passed peacefully on May 22, 2023 at Lions Gate Hospital in North Vancouver surrounded by family, and love.

She will be lovingly remembered by her husband Landon, daughter Megan, grandson Paxton, sister Vanessa, and parents Krys and Allen, as well as numerous relatives and friends around the world.

Jena was born in Red Lake, Ontario on September 6, 1972.

Jena could light up the room with her infectious smile, her boisterous personality, her contagious laugh and her heart that was larger than life.

She was never afraid to speak her mind, would always have your back in times of need, and would never back down for anyone. She truly was our Wonder Woman.

Jena was a giver. In the hardest of times, she still continued to give. And she gave until the very end.

Even though we could not keep her and receive OUR miracle as we so selfishly wanted, Jena was able to give life to others. Her lungs were donated so another being could breathe and laugh just as she would, her eyes so another could view the world through her beautiful green eyes, her skin and tissue to help burn victims, and her hair to donated to children with cancer.

A celebration of life will be held at a later date.

Memorial donations can be made in memory of Jena to:
