

Shirley Anne Firth-Larsson

December 31, 1953 ~ April 30, 2013

After a very fulfilling life Shirley passed away peacefully at her home in Yellowknife surrounded by her three daughters and her husband.

Shirley promoted family values, and shared her Christian values such as love, forgiveness and hope. She lived a healthy lifestyle and was a strong advocate

for mothers and women. Shirley believed in the importance of pursuing education no matter your situation or age, and that anyone can accomplish anything they set their minds to.

The family would like to thank everyone in the North for their tremendous love and support.
