*Don't think of her as gone away -  
her journey's just begun,  
life holds so many facets -  
this earth is only one.*

*Just think of her as resting  
from the sorrows and the tears*

*in a place of warmth  
and comfort  
where there are no  
days and years.*

*Think how she  
must be wishing  
that we could  
know today  
how nothing  
but our sadness  
can really pass away.*

*And think of her as living  
in the hearts of those she touched...  
for nothing loved is ever lost -  
and she was loved so much.*
