

Norma Kathleen Goit

February 27, 1937 - July 13, 2023

Our family is sad to announce that our dear mother, grandmother and great-grandmother Norma Kathleen Goit passed away at the age of 86 years old. We believe she is back in the arms of her beloved husband, Gerald Arnold Goit.

Norma was born in Regina, SK on February 27, 1937. She lived in Vancouver, BC, Long Beach, California, Sept-Isles, QC, Fairfax, Virginia, Holberg, BC, Shilo, MB, Yellowknife NT, Parksville, BC and Edmonton, AB. Her favourite place was Yellowknife, where she raised her family and enjoyed a lengthy career in Public Service. During Norma's Territorial Government days, she started as an executive secretary within the Department of Highways and finished her career working as the executive secretary for the Northwest Territories Fur Institute.

Norma loved her family, all animals, sewing, television and talking. She enjoyed stitch and bitches, coffee dates and card games with friends and family throughout her life. She loved to tell jokes, some naughty and some risqué, but always funny! In Norma's youth, she was an avid roller

skater, amazing deal finder and quite the bowler! In Norma's recent years, she was a phone-a-holic. She had a long list of friends that she would regularly phone to shoot the breeze with. Norma spoke with her family and friends on a very regular basis and was happy to share stories of her true-life adventures, of which she had many. She was full of interesting and amazing tales.

Norma was most proud of her five children, eight grandchildren and three great-grandchildren. She will be missed greatly by Lynne Williams (Dwane Williams), Lorraine Kavich (Lenard Kavich), Richard Goit, Leslie Goit (Phil Nolan) and Chris Goit (Martine Gauvin).

In the years to come, we will share Norma's stories with Tonya, Mattheyou, Madison, Trina, Gage, Ben, Cameron, Lauren, Lennox, Isobel and Trew.

The Goit gang, as mom often called us, are mourning this loss together and in that, we have great strength.

The family have planned a private interment ceremony to honour both Norma and Gerry Goit at the cemetery in Yellowknife, Northwest Territories.
