

Gravel, Roland (Aka: Rolly, Aka: Pic)

August 2nd, 1956 - October 1st, 2023

It is with deep sorrow and much love that we mourn the passing of Roland Gravel of Ramore, ON. He passed at home in his bed with his beloved wife and daughter by his side on October 1st, 2023 at the age of 67.

Cherished husband of Denise (Gervais) for 42 years. Loving father of Terry, Serge (Trina), and Roxanne (Darryl)

Beloved Pèpère to Soleil, Isabelle, and Carter.

Predeceased by his parents Hervé and Marie-Rose, Sister Jeannine, Brothers Jean-Pierre and Gabriel.

Survived by brothers René (Jeannette), Gerard (Rejeanne), Roger (Teri-Lynn), 12 nieces and nephews, and mother-in-law Jacqueline.

His children will carry with them the everlasting effects of his love, affection, and knowledge. They will never ride a snowmobile nor hold a fishing rod without thinking of the fondest memories with him. He has also left a significant impact on his dearest grandchildren that will keep him alive for all future generations.

His family and friends would describe him as a social butterfly that always had an opinion and wasn't afraid to share. His overwhelming need to help others proved how much he wore his heart on his sleeve. He was extremely prideful in his work and could literally fix anything. His many skills were undisputed, and he was very much respected and admired by many.

He was a die hard Habs fan and proud to show it off, his greatest pleasures in life were when he was fishing and traveling with his wife on their many adventures together.

Rest in peace now and know that your work is done.

In keeping with Rolly's wishes, cremation has been arranged with Timiskaming Funeral Cooperative.
