In Loving Memory of

With family members by her side, on March 22nd, Mom went to her final journey to meet her Parents John & Emily, her son Floyd, her granddaughter Pearly, her brothers Edward and Arthur, and friends Elizabeth and Albert Horesay. We cherish the memories of our time together, and that you are dearly missed, always loved, never forgotten.

My Mom was loved and is dearly missed by myself and our family in Yellowknife, my brother Ernest in Edmonton, great grandchildren, Rayden and Riley, Sisters, Brothers, and extended family and friends in Fort Simpson.

A huge thank you to the Stanton Territorial Hospital, the nurses and Doctors for the exceptional care you provided to my Mom, Mabel, with keeping her comfortable during her final days.

Thank you, to the many caring people for their love, support and the gifts of food and prayers.

We would like to send a special Thank You to Winnie and Sharon, who contributed their time to coordinate the service in Fort Simpson. Also a special Thank You to Liidlii Kue First Nation and family members in Fort Simpson who also provided assistance for the funeral service - from my heart, I thank you so very much.

Thank you, again.

Violet Horesay and family.
