

Terry Kenneth Halifax

Terry Kenneth Halifax (Toon to his friends and family), began his journey in Trail, BC. (August 25th, 1960). To the devastation of many, his journey ended suddenly on February 25, 2015, in his home of many years, Inuvik, NT.

Terry was known to his friends and family and community as an inspired journalist, dedicated philanthropist, loving partner, son, brother, Uncle and friend.

He leaves behind a legacy of community contributions, award-winning photography and significant journalism. At this pinnacle of his life, he had found love and comfort with Elizabeth Fraser and Squish. His Family and friends will remember him most by his selfless, genuine nature of humour, culinary artistry, kind smile and soft voice. He is survived by his common-law spouse Elizabeth, Mother Vera, Father Jed, sisters Sandra (Kurt) Chenuz, Judy (Dan) Bauer and Brother Steven (Louise) Halifax. He also leaves behind a multitude of close friends and family members.

In lieu of flowers, donations can be made to the Heart and Stroke Foundation or Canadian Lung Association.
