**My Son,**

Only God holds the reason why  
That sad day, we said goodbye  
Family and friends that love you true  
Often talk and think of you  
Your Spirit, it will never die  
For in our hearts, sparks a smile  
My Son, a part of me is gone  
But someday, I know, it won't be long  
I'll hear your voice, I'll see you at the gate  
Of Heaven, I know, we'll meet again.

~ Mavis Elias Adjun

**Go rest high on that mountain, my son  
Love you forever, Mom**
