

GARY "JUGGY" JODRELL

February 27, 1941 - June 3, 2008

It is with a heavy heart that we announce the passing of Juggy Jodrell. He was one of the North's, and especially Yellowknife's, true sports characters and friend.

Juggy was one of the most loved, happy, smiling, good teammate, opponent and friend – quick with a joke or story.

Juggy

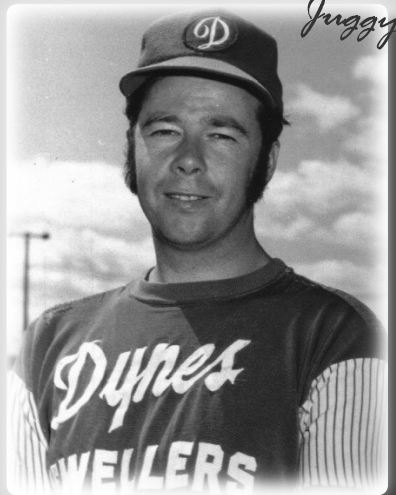

To those who knew him
as a close friend...
he will be sadly missed.

To those who knew him
as a friend... be happy
that you did.

To those who knew of him
as a sports fan... his stories
will be sorely missed.

Go Leafs Go!!! AMF
