

David S. Jones

NOVEMBER 17, 1923 – AUGUST 28, 2018

DAVID S. JONES OF EDMONTON died peacefully in his sleep on August 28, 2018. He was predeceased by his daughter Lynda and his wife Mary. As Dad would say, "He is survived by the living." These include his son Howie (Margo); and daughters Terry, Trisha (Ken Snell), Ruth and Janet; his sister Patricia Morrison; as well as grand, great-grand and great, great-grandchildren.

Because Dad requested that we not mention the usual "BS" about how generous, kind, witty and wonderful he was – we won't.

He enlisted in the Royal Canadian Air Force on January 5, 1944.

Dad and Mom loved the North and its people! They especially loved Aklavik, NWT, where he was the Imperial Oil Agent from 1954 to 1958, and Inuvik from 1958 to 1974. Dad was involved with the Legion, the Lions Club, baseball, badminton, curling, the card game Bridge, and local politics.

**At Dad's request there will be no funeral
and his body has been donated to the
Anatomical Gifts Program, University of Alberta.
In Dad's memory and honour, please continue
showing kindness and generosity without
expecting acknowledgement or payment.**
