

WITH LOVE AND FOND MEMORIES OF  
**Julian John Tologanak-Labrie**

YOUR LIFE WAS A BLESSING  
**July 13, 1988 - April 15, 2009**

.....

Our memories of you is a treasure. The laughs, the comfort of you being here in our presence, hearing you water skipping, taking your dog for long walks and runs, your silly horn on your truck, driving around on a mini skidoo, being the life of the party and making everyone smile

You are loved and missed beyond words.

Continue watching and guiding your son Felix as his Guardian Angel.

Every night we fall asleep with you in our hearts.

With love until we see you again in beautiful heaven.
