*Konook,
What can we say,
Your smile always brightened up any room you were in.
Your love for your children was so beautiful.
You loved them with everything you had.
You shared with everyone.
You were always willing to help anyone who needed anything.
You were always there for your friends and family.
Even in the midst of the toughest circumstances you always found
something to smile about.
Know that you are loved and that you will be missed.
Our lives will never be the same.*
