

It is with great sadness that we say goodbye to a dear brother, uncle, friend and one of the most amazing men many of us have had the pleasure to meet.

David left us to join his beloved mother on Sunday, March 31, 2013, surrounded with love and music. David lived a life of joy, smiles, happiness, song and dance. Across cultures he touched lives and inspired people. To have known him makes us all the better for it. A celebration of his life will take place in Trinidad at a later date. Until we meet again dear David.
