

## Lindy Douglas Ross Carpenter

Lindy Douglas Ross Carpenter died suddenly but peacefully on May 18, 2021 surrounded by his loving family. He was a husband to Wanda for 52 incredible years. Together they raised two daughters, Kimberley and Yolanda. They were the sparkle in their Dad's eyes, next to his five precious grandchildren.

Lindy was born in Bishop's Falls, Newfoundland and was the son of the late Maxwell and Priscilla Carpenter. At the age of five Lindy was run over by a train and lost his arm. In the words of Lindy, you think I'm in rough shape, you should see the train! Don't think for one minute that the loss of a limb held Lindy back from accomplishing anything. He had a 40-year career of being a welder. After making the move to Yellowknife with his family he worked for Back Bay Welding and Ekati Diamond Mine where he retired. He was an accomplished wood carver, avid outdoors man, and Jack of all trades. He will be remembered for his quiet contentment, his creative energy, and very giving heart.

He is survived by his wife Wanda, his children Kimberley (Darren Pelley) and Yolanda (Darryl Lingard). His five grandchildren Evan (Cass), Luke, Mark, Brandon and Brooke. As well as his brother Ted (Elsie), his sisters Eileen (Art), Barb (Dave), and Pat (Ken). Also a large circle of friends that he considered family.

In lieu of flowers, donations can be made in Lindy's name to the NWT SPCA on their website - <https://nwtspca.wildapricot.org/Donations> or Skills Canada Northwest Territories via e-transfer at [blake@skillscanadanwt.org](mailto:blake@skillscanadanwt.org) or calling (867) 688-7762 to arrange a payment method.
