

# FOREVER IN OUR HEARTS

## *Garry Earl Lobb*

Garry Earl Lobb passed away peacefully, at the University of Alberta Hospital earlier this month. He was a son, brother, nephew, cousin, father, brother-in-law, uncle, grandfather, great-grandfather, mentor, and friend to those that knew and loved him.

Garry is now drumming with his band the Orbatones and flying in the skies he loved. His love of curling right to the end will remain with his family and friends.

Celebration of Life and Memorial will be held sometime this summer, date to be announced.
