## *Walk Through This World With Me*

Walk through this world with me,  
go where I go  
Share all my dreams with me,  
I need you so  
In life we search and some  
of use find  
I've looked for you a long,  
long time

And now that I found you,  
new horizons I see  
Come take my hand and walk  
through this world with me

Walk through this world with me,  
go where I go  
Share all my dreams with me,  
I've search for you so

And now that I've found you, new horizons I see

Come take my hand and walk through this world with me

Come take my hand and walk through this world with me
