

## *Rebecca (Becky/Becca) Mary McCarthy*

*Rod, Kelly, Morgan, Fur buddies, and the rest of the McCarthy Family want to thank everyone for all the support from family and friends near and far for helping us through this difficult time.*

*Our sweet young girl Rebecca will be forever in our hearts and we will cherish her memories with family and friends for a lifetime. She is now in Heaven with her brother Patrick. God Bless our girl.*

*Till we meet again.*

### *“Irish Blessing”*

*May you always walk in sunshine.*

*May you never want for more.*

*May Irish angels rest their wings,  
right beside you door.*
