

Cecilia Marie McKay

Passed away on December 22, 2022 at Northern Lights Special Care Home in Fort Smith, NT.

She was born on November 25, 1939 in Fort Smith, NT. Much of her working life was spent as a cook's helper and she loved baking bread for her family.

Cecilia leaves her beloved children, Suzan, Lawrence, Howard, Shirley-Anne, Darryl, Margaret (Margo), and John. The family wishes to thank the many people who offered prayer's, support and kindness. Special thank you to Northern Lights Special Care Home staff and Fort Smith Health Care Centre for providing the utmost care and love during her last days. Special thank you to Buffalo Airways and Wesclean for transportation and support.

My beautiful mother Cecilia cherished and loved her many grandchildren and to name a few, Freedom and Justice, Carver, baby Darryl, Lyndon, Ashley, Sheldon, and Byron. She has 24 grandchildren she adored.

Cecilia grew up most of her life living with the late Archie Larouque out on the land on the barren land prospecting with him. My dear mother lived a beautiful life and kept in contact with her siblings, enjoyed catching up and sharing stories and she particular enjoyed her grandchildren visiting her at NLSCH.

A celebration of life will be held this summer in Fort Smith at a later date TBA on Facebook in Fort Smith where my mom's ashes are interred.
