

In Loving Memory

**David Paul
McKenna**

December 10, 1951 -

December 14, 2007

Dave was originally from Nova Scotia. He had the desire to come North in the early 1970s, residing in the Yukon. He made his move to Whati in 1998 calling it his home. Dave worked in construction all his life enjoying warm vacations in the winter months. He is survived by his two daughters.

Dave died suddenly on one of his trips and was cremated in Cuba. He will be sadly missed by the many people whose lives he touched and will forever be in their hearts.

You will remain in our thoughts and prayers; thank you for being a part of our lives.

Love, your friends
