

Audrey Anne Mercredi

The time for closure is long overdue.

The family of Audrey Anne Mercredi will be holding a Celebration of Life on August 20TH at the Yellowknife Multiplex parking lot between 4:00 pm to 8:00 pm so family and friends can say their final goodbyes and celebrate the life of Audrey A. Mercredi (1948-2019).

Audrey didn't want a service of any kind but public demand is such that we feel this is necessary so everyone can have some semblance of closure. This has been a difficult time for everyone who knew and loved her, and we feel this will allow everyone an opportunity to close this chapter in their lives. As we live in difficult times these days, we ask everyone attending to adhere to standard social distancing rules and hygiene practices. We would also ask that people with surnames that start with the letters A to M to please attend between 4:00 pm and 6:00 pm and people with surnames between N to Z to attend between 6:00 pm to 8:00 pm in order to keep numbers down to acceptable Phase 2 levels so that people won't be rushed and can socialize and share memories and stories with those in attendance. A sign in / memory book will be on site along with other factions connected to the spirit and life of Audrey. She will be interred with her beloved husband Eugen H. Mercredi on August 21ST in a private ceremony.
