

# Raymond L. Miron

passed away August 28, 2008 at Mission, BC after 88 full years. He was the youngest child in a family of six. Ray was born and grew up in Morris, Manitoba. In 1941 he headed to Yellowknife to work and play hockey for the Yellowknife Indians. There he met Marguerite Clayton (Marney) and they were married in 1943.

Ray's career as a mining superintendent allowed them to travel extensively throughout Canada and USA finally settling in Saskatoon in 1965. In 2002 they moved to Abbotsford, BC.

He was a knight in shining armor, patient, kind, gentle, caring, quiet and darn witty. Truly a man of integrity. He will forever keep us laughing and singing. Thank you for being you Poppa.

Deeply loved and missed by Marney, his wife of 66 years, son Richard (Monica) of California, son, Robert (Laura) of Abbotsford, BC, 8 grandchildren and 5 1/2 great-grandchildren.
