

Allen Adam Mueller

December 9, 1948 – October 24, 2013

With great sorrow the families of Allen Mueller announce his passing after pancreatic cancer had taken him from us all too early, at the age of 64.

Allen was born the second child to Bernard and Rita in Vulcan, Alberta. He is survived by his wife Brenda, his brothers Gerald, Keith and Kenneth; his sons Laine, Bradley, Wesley and daughter Janell; as well as his grandchildren Kaley, Mason, Rhys, Jasmine, Jorja, Dakota, Grayson, Linden and Alexandria.

Allen spent his early years in the farming community with his brothers around the Champion and Vulcan area before attending the University of Calgary and Edmonton in the civil engineering field. The farm life could not escape him and he continued farming after falling in love with his wife Brenda in Vulcan in 1970. They began a beautiful family and opportunities took them north to the Two Hills and Vegreville area. It was at this time Allen began his career with Alberta Power and would last over 25 years into his retirement. This took him and his family on adventures across western Canada to locales such as Whitehorse, Drumheller, Fort McMurray, Yellowknife, Slave Lake, Sunde, and ultimately back to his final destination close to where it all began, Nanton.

Allen always had time for a friendly hello and genuinely cared about all he met. He was involved in many volunteer programs and was a tireless community supporter. His family was his life and he found himself several times a week in a community hockey rink supporting all his children and helping where he could. He would say his greatest achievements were his children and was very proud of them all, no matter what.

Anyone who was fortunate enough to meet Allen knew that one of his greatest attributes was that of unselfish caring and his 'can I do anything to help' attitude. When he did find time for himself you could find him in the garden, planting and watching things grow, building or fixing things in his shop, or in the outdoors camping and fishing.

A Celebration of Life was held Wednesday, October 30, 2013 at 1:30 pm at Vulcan United Church. Inurnment Champion Cemetery.

Allen's family would like to extend sincere thanks to all the wonderful people that helped in this trying time, including family and friends, doctors and medical staff and everyone involved to make his passing as comfortable as possible. If desired, in lieu of flowers, the family has requested that a tree be planted in Allen's memory.

Arrangements in care of Vulcan Funeral Home. Telephone 1-403-485-2633.
