Ama, it's been 2 years since you left us. How we miss your beautiful smile and laughter, especially all your stories, sharing wisdom of life so you can mold us into shape to go forth alone. Remembering the love we shared we will always keep that memory in our hearts. For this is your special journey and with Aba by your side we shall shed no more tears, only sharing tears of joy and laughter. Miss you both.

Love Gilbert and Mary Jane Cazon and family, Tim and Sarah Lennie and family, Lawrence Nayally and Elizabeth Liske, Jeffrey Nayally and Trudy and family, Carl Nayally and Janet.
