

Morris Neyelle

May 22, 1951 – April 20, 2022

To Everyone That Has Helped the Neyelle Family,

The heartbreak we feel with the loss of Morris Neyelle, April 20, 2022 - our husband, father, grandfather, brother, uncle, friend - is immense! Words cannot begin to express how it feels to have such a void now with his passing. However, the kindness and generosity that has been shown to us during this difficult time has been so very appreciated by our family, all the phone calls, messages, and so many to mention

From fixing the Neyelle's home to prepare for Morris, to donating money and prize items, to preparing food, to cleaning, to sharing meat and fish, to making the trip to our community to offer in-person support.... this list goes on and on! Everyone has helped us in so many ways and we wish to offer our gratitude for all you've done. And all the people that donated traditional food during their time at Stanton hospital in YK

Morris touched the hearts of many, and the efforts displayed by those that have supported us during this time, both while he was sick since Feb 2022 and

after his passing, is a clear sign of this. Morris would thank you himself if he could! Thereby, we wish to mention here the following individuals and organizations who have provided us with such generous assistance:
