

Forever in our Hearts

Lalainia Anna Jane Claire Appatok Enogoloak Nivingalok

Born on Saturday, December 7, 1991
in Kugluktuk, passed away December 15, 2017.

Lalainia loved life to the fullest. She was an amazing woman, her first priority was children and her time with a healthier community.

Volunteering was what she loved to do. Any functions happening she would get excited and decide what to wear even it would happen the following week.

She would go home and say 'Ah so much fun! Kids are going to be happy, I happy for the kids.'

Even while sitting at home and someone in the family is in need, she would put together a bag of food for them.

There is so many lives she touched in so many positive ways.

So many memories that bring a smile, which also showed what a wonderful person she was; so many stories about how she made a difference or how she made someone's day.

Many hearts feeling the sadness without her presence because she touched and knew so many people. My baby girl was loved.

God bless her today and always.

We miss you Laa
