

# Norman George Phillipot

*December 12, 1938 – April 09, 2016.*

Norm skipped into the next dimension peacefully and unexpectedly at home. He leaves his wife and partner, Beulah, daughters Aimee (John Hawkins) and Darha (Rob Lok), five cherished grandchildren (Lucas, Kate, Jill, and Annika Hawkins and Marley Lok), a large extended family, and many friends.

Norm was a devoted and beloved husband, father, grandfather and gathered many friends both where he lived and where he traveled: around the world, on all seven continents, from Canada's arctic to Cape Horn, and beyond.

Norm's request for a wake will be held at a later date.
