

Bernardita Robles

August 20, 1945 – November 11, 2021

Bernardita (Bernie) was born in the Philippines where she grew up. She attended Iloilo's St. Paul University - Nursing School and graduated in 1967. Bernie made her way to Canada to be a nurse in Lac la Biche, Alberta; Spirit River, Alberta and; in 1973 moved to Yellowknife, Northwest Territories where she met her husband Pedro and started and raised their family. From 1973 until her retirement in 2010, Bernie proudly worked as an obstetrics labour and delivery nurse at Stanton hospital. After retirement Bernie and her husband remained in Yellowknife.

Bernie loved reading books, writing letters and cards, watching movies, travelling and was always up for a party and get together. She loved fashion and would dress to the nines. She had the biggest smile and laughter that filled a room.

Bernie loved and was very proud of her family, and beamed when talking about them. She is survived by her husband, Pedro Robles, her daughters Alexandra John (Chris), and Ceilito Rivers (Ashley) and their children Kai, Bodie and Halle.

Bernie will be greatly missed. She leaves behind many, many fond memories for so many people.

The funeral service for Bernie was held on November 16, 2021 in Yellowknife.

In lieu of flowers please consider donating to the Kidney Foundation of Canada.
