

Mark Fraser Scott

28.06.52 - 05.10.09 - Aged 57

Fought a characteristically courageous battle to the very end.

Mark is survived by his daughters, Tessa and Kahli and, of course, his two Harley Davidson motorcycles! He will be be sadly missed by his countless friends and family both in Australia and Canada.

He'll always be remembered as the man who could walk into any bar, anywhere and make a lifelong friend and as the best Daddy ever!
