

Malcolm (Mac) Stark

February 8, 1953 to October 6, 2018

Mac passed away on October 6, 2018, in Hay River. He was a keen fly fisherman and fly tier from an early age in Quebec. At age 17, he started work with the Hudson's Bay Company in Frobisher Bay. He had the opportunity to fish in all the provinces and territories in Canada, and in the USA, Spain, Scotland, Zimbabwe, and New Zealand.

His fly fishing room was his mancave – music or a fishing show blaring away while he chose the right feather to tie a fly. He loved working with others who loved fly fishing as much as he did. As a result, he leaves behind a wide circle of close fly fishing buddies.

Mac is survived by his wife Faye; sisters Gerry (Duncan) and Barbara (Ron); and brother Gordon.

As per his request, he was cremated and his ashes will be scattered in the summer in four of his favourite fishing spots.

In lieu of flowers and to honour him, please donate to a fly fishing association/group/museum of your choice.
