

It is with great sadness that we announce the passing of Roland (Rolly) Tourangeau, on Thursday, July 28, 2016, in Edmonton. He is survived by his son Philip.

Rolly was a Miner at Con Mine for almost 40 years. After retiring from Con, he had his own wood cutting business which kept him busy for many years. Rolly loved to hunt and fish and enjoyed being in the bush. He loved making things that made difficult tasks easier. You could always hear him say “right or wrong”

Rolly can now put his arms around his beloved Denise once more.

Rest in Peace my friend, you will be missed.
