*God looked around his garden  
and he found an empty place.  
He then looked down upon the earth  
And saw your tired face.  
He put his arms around you  
And lifted you to rest.  
God's garden must be beautiful  
He always takes the best.  
He knew that you were suffering  
He knew you were in pain  
He knew that you would never  
Get well on earth again.  
He saw that the road was getting rough  
And the hills are hard to climb,  
So he closed your weary eyelids  
And whispered "Peace be thine"  
It broke our hearts to lose you  
But you didn't go alone  
For part of us went with you  
The day God called you home.*
