

David Michael Westcott

April 11, 1968 – January 1, 2022

It is with great sadness that the family of David Westcott announces his passing Saturday, January 1, 2022 at the age of 53. David was surrounded by family at the time of his passing at the Vancouver General Hospital.

He will be lovingly remembered by his children Ashley and Emma, his brothers Fred, Steve and Rob, and his mother Margaret Imrie. He will also be dearly missed by his closest friends, Marvin Pon, Jamie Findlay and many others from the NWT.

David was well known for his infectious laughter, smile, charming and caring personality, and sense of humour, which was still with him up until the end. He always took time to ask how others were, even during his own difficult circumstances, highlighting the fact that he deeply cared about everyone he knew.

David was a graduate of Sir John A. MacDonald in 1987. He was actively involved in sports and represented the NWT on numerous occasions at the Arctic Winter Games.

The family wishes to send a special thank you to the staff at the Vancouver General Hospital and the GF Strong Rehabilitation Centre for their care and compassion during his stay.
