

# *Scott Gary Dowdall*

March 30, 1966-December 28, 2004

**“If I go while I’m on my machine, I will go happy”**, said Scott on many occasions. He left us happy doing what he did best; snowmobiling with his buddies.

Scott is now on another ride where the snow is pristine, speed is no obstacle and he can always be first. Scott will be greatly missed by all of his family and friends.

A celebration of Scott’s life will take place on January 3, 2005 at The Elk’s Lodge at 11:00 am.

In lieu of flowers donations can be made to the Heart and Stroke Foundation.

*Ride on, Scott*
