

# Audrey Ann Mercredi

It is with profound sadness that we announce the passing of Audrey Ann Mercredi.

She passed away peacefully on Thursday, October 17, 2019 at Stanton Territorial Hospital in Yellowknife with family members by her side after a long sickness which she valiantly fought till her last moments.

Audrey is now in the loving arms of her husband Eugene "Mannie" Mercredi, parents Lloyd and Audrey Ross and sister Lee Carpenter. She leaves behind her partner of 25 years Ken Pich; her three loving sons Eugene, Curtis and Ashley Mercredi; her daughter-in-law Hayley Mercredi; and four grandsons Dustin, Brad, Karsen and Brock Mercredi; as well as brother-in-law Herb Carpenter.

She was a loving soul to all and while she was a mother to some she was "Mom" to so many others. She spent 40 years working the streets of Yellowknife delivering the mail and became a well known fixture to everyone in Yellowknife during that time. When she couldn't continue the labour side she took over the administrative side handling the book work and socializing with anyone who came over for a visit. She loved camping with friends and family, sharing tales and stories over the campfire, hosting a get-together at home with family and friends at special occasions or spur of the moment gatherings. She also became famous for organizing, coordinating and cooking for days to facilitate the Westown Tire Christmas Party.

Audrey did so much for everyone and never expected anything in return which made so many people love and admire her. She was a selfless individual who always put other people ahead of herself and even during her final days she was more worried about everyone else and didn't want anyone fussing over her. She loved sports, umpiring baseball games in her early years, watching family and friends play baseball games, hockey and soccer. Watching her grandchildren as they pursued their favourite sports were some of her favourite times while sitting in the stands. She was always ready to talk to anyone about her favourite sport, curling.

Her contributions to Yellowknife and the people who knew her are impossible to list. We who knew and loved her can only find solace knowing that she is now at peace and her spirit will live on in her family, friends, acquaintances and the legendary stories that will be told over the campfire about the life of "Mom".
