

# *Robbie (James) Robertson*

On April 2, 2016, at Stanton Territorial Hospital, surrounded by his family and friends, Robbie (James) Robertson quietly passed away.

As Robbie sailed away he said goodbye to his wife Joan of 43 years, their daughter Samantha (Tony), his granddaughter Abigail.

Robbie originally came from Glasgow, Scotland, where his three brothers William, Donald (Allison), and George (Helen) will dearly miss him and their special time together.

Robbie was predeceased by his parents James and Elizabeth Robertson and his sister Betty (Elizabeth).

In his younger years, he was a very proud member of the British Merchant Navy, and while living in Yellowknife he dedicated 26 years of work life to the District #1 Yellowknife School Board.

The family is very grateful to the staff of the Extended Care Unit. They request in lieu of flowers that donations may be made to the Stanton Territorial Hospital Foundation in Robbie's memory.

The family is especially thankful for the support from Jean, Matt, Caroline, and Maureen.

Cremation has taken place.

While respecting the wishes of Robbie, there will be no service and burial will take place in Howley, Newfoundland, at a later date.
