

Mason John Seabrook

Arriving two months early, we are sad to announce the short life of our son, Mason John. He came and went on October 23, 2003, taking with him a lifetime of hopes and dreams we had for him. We will hold him in our hearts forever.

We would like to thank our families and friends for their overwhelming support during this difficult time. We find great comfort knowing your love and support are there.

A special thanks to Dr.'s Fraser, Witham, Kallos, Chatel, OBS staff Cora, Marie, and Maggie, and staff at the Gibson Medical Clinic.

May you all find comfort, like us, in knowing love is all our baby ever knew.
