

Beloved Auntie June

June Catherin Seagrave

1961 – 2016 ... or "19 years old"
*as June would say, for those of you
doing the math...*

JUNE PASSED AWAY SUDDENLY
in Toronto on May 27th after a brief illness.

Auntie June was especially beloved by her nieces, Anna, Josie and Meaghen and her nephews, Connor, Tommy, Joshua and Luke. She loved to make them laugh, gave them crazy nicknames, made them many s'mores and other treats, entertained them, read them imagination stories, mentored and coached them, played with them and loved them unconditionally. They in turn brought out her best self.

June cared passionately about animals and the environment. She was a dedicated volunteer, cyclist and shopper. "Queen of eBay" she could find any obscure thing on the Internet. She was famous for her lemon cranberry squares made from Phoebe's cranberries. She will be greatly missed not just by her family but by her furry friends, Molly, Cleo and Max.

June is survived by her father Joe, her sister Mary, her brothers Peter (Colleen) and Richard (Lauri) and her sister-in-law Lisa. She is at peace, reunited with her mother Cecelia, her brother John and her companions Jessie and Murphy.

"How lucky I am to have something that makes saying goodbye so hard."

– A.A. Milne, *Winnie the Pooh*

**An intimate celebration of life will be held in July.
Donations in June's honour can be made to the SPCA.**
