

In Loving Memory
**Jack Lawrence
Wainewright**

July 1929 to October 1999

*You loved us all so very dear
and we all loved you so.
No one knows the heartache,
that lies beneath our smiles,
no one knows how many times
we have broken down and cried.
We want to tell you something,
so there won't be any doubt,
you're wonderful to think of,
and so hard to be without.*

***Someone so special
cannot be forgotten:***

You're loved and missed each day.

Your loving family.
